Superintendent
District 75
Dr. Keisha McCoy

September 10, 2026

Dear P233Q Parents and Families,

It is with a full heart and mixed emotions that I share with you that, after 38 years of dedicated service with New York City Public Schools, I have decided to retire as Principal of P233Q, effective October 1, 2026.

For 20 of those years, I have had the extraordinary privilege of serving as the Principal of P233Q. When I think about my time here, I think first of the relationships that have made this school so special—the students who have inspired me, the families who have welcomed and supported me, and the staff members who have worked beside me with compassion, dedication, and unwavering commitment.

P233Q has been much more than a workplace. It has been a community and an important part of my life. I have had the joy of watching students grow, celebrating their accomplishments, encouraging them through challenges, and seeing the many ways they have touched the lives of those around them. I have also been grateful for the trust families placed in us and for the countless conversations, partnerships, and shared moments that strengthened our school.

Over the years, our school has grown and changed, but our commitment to supporting every student has remained at the heart of all we do. The progress we have made has been possible because of the strong relationships among students, families, and staff. Together, we have created a school where students are known, valued, and encouraged to reach their fullest potential.

As I prepare for this significant transition, I am filled with gratitude for the people and memories I will carry with me. I leave knowing that P233Q will continue to be guided by caring, talented educators and staff who believe deeply in our students. My greatest hope is that my legacy will be found not only in the years I served, but in the relationships we built and the difference we made together in the lives of our students.

Thank you for your support, partnership, kindness, and trust throughout the years. Serving as your Principal has been one of the greatest honors of my life, and P233Q will always hold a special place in my heart.

With sincere appreciation,
Debbie Edmonds
Principal,
P233Q
